

**Fred Long** is Vice President of Development at UCAN, an innovative youth services organization that strengthens communities by supporting youth and families, offering a continuum of services for over 150 years. Since 2016, Long has served as UCAN's top fundraising executive, charged with annually securing nearly \$5 million in private grants; corporate and small business contributions; individual donations; and other sources. Fred is a 2019 Leadership Greater Chicago Fellow.
