

ANN (KORA) GRANT SENIOR DIRECTOR OF DEVELOPMENT, ADLER PLANETARIUM

Ann Kora joined the Adler Planetarium in 2017 as Senior Director of Development, overseeing strategy and operations for major giving, annual giving, and special events. In addition to securing funds for the museum's education and outreach programs, Ann enjoys mentoring development professionals and serving on the AFP Chicago's Board and is currently the President Elect. Prior to the Adler, she worked for a management consulting firm and national nonprofits, including the American Association of Neurological Surgeons and Easterseals. She holds a Bachelor of Science in Communication from Northern Illinois University and resides in Wicker Park with her partner Colin and their golden retriever, Bob.
