

Kitty Snow is Director of Advancement for the Office of the Vice Chancellor for Institutional Advancement at the University of Illinois – Urbana Champaign. As a member of the regional team, Kitty works with donors to support the broad spectrum of the university's 15 colleges and initiatives. Prior to joining U of I, Kitty served as Individual Giving Manager for the American Brain Tumor Association, and as a Development Events Director for UNC Children's hospital at the University of North Carolina-Chapel Hill.

Kitty has been a member of AFP Chicago since 2019, where for the last three years, she has served on the Member Engagement Committee, most recently as co-chair. This year, Kitty has also been a protégé with the Chicago chapter's Peer Mentoring program.

Kitty holds a Bachelor of Arts Degree in Journalism from the California State University, Long Beach, and recently completed Northwestern University's Philanthropy and Nonprofit certificate program. A resident in the city of Chicago, Kitty enjoys playing platform tennis outdoors in every season.
