

Ashley Lugo (she/her) is perpetually confused and trying to keep up with society ... what is TikTok and why? She is so fed-up with fundraising that she doesn't want to be measured by her value in the field. She holds a Bachelor of Music in Vocal Performance and performs every day in the shower and while cooking. She sits on the board of the [Thompson Street Opera Company](#) and the marketing committee of the [Chicago Chapter of UN Women](#).
